### PUBLICATIONS

#### ■ INDUSTRIAL RELATIONS BOOK

While recognising the diverse nature of Dictionaries, Richard's second book is an Industrial Relations Annotated Dictionary. It combines definitions, case law (plus case law with index), and legislation for words, phrases, and expressions. On the one hand, this Dictionary can provide a quick reminder of an issue. For others, it is a tool for recognising terms and expressions, as well as being a handy reference in responding to a specific situation. Find out more: [www.wrsmallbusiness.com.au](http://www.wrsmallbusiness.com.au).

#### ■ WORKPLACE RELATIONS BOOK

"Small Business Workplace Relations A User-Friendly Guide" works its way through the processes of the employment relationship. Commencing with the employment contract, types of employment, workplace policies and procedures, record keeping and communication with employees. The application of civil remedies also leads the reader to appreciate industrial instruments. The importance of work, health and safety is also highlighted. The book concludes with reference to some current and pending legislation. Find out more: [www.wrsmallbusiness.com.au](http://www.wrsmallbusiness.com.au).
